An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: In the claims:

Cancel non-elected claims 20-27, said claims being non-elected **without** traverse in the election filed on 8/31/2005.

The following is an examiner's statement of reasons for allowance: All of instant claims 1-19 are allowable at least because none of the cited prior art shows or fairly suggests an apparatus for cutting elongate workpieces of the type described by independent claims 1, 8 and 18 including the instantly claimed gear ring arrangements. The closest cited prior art, Kochsiek et al and Crivellin, as explained by the applicant in the response filed on 2/15/2006, employ either drive pistons or worm screws to rotate the drums or rings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Scott Kastler whose telephone number is (571) 272-1243. The examiner can normally be reached on Monday through Friday.
